

GUIDELINES – 700 CLUB REPORT

Oregon Pathfinders

Guidelines to follow for each section of the 700 Club – Monthly Report

Weekly and Monthly Club Activity points:

1. **Club Meetings** - (100 yearly points possible)
Most Clubs hold weekly meetings; however, you need to count a minimum of 2 meetings per month to receive full **10 points**.

2. **Attendance** - (50 yearly points possible)
When counting a minimum of 2 meetings per month, the percentage of attendance is based only on those who are physically present. If possible choose the 2 best attended meetings.
Note: Excused absences should not be included in the attendance percentage.

3. **Uniforms** - (50 yearly point possible)
When counting a minimum of 2 meetings per month, one meeting must be in Dress Uniform each month. The other meeting may be in Field uniform. (Must be the same two meetings as counted above.)

4. **Instruction** - (50 yearly point possible)
Clubs need to teach a minimum of one AY Honor or AY Class Level during the current month for **5 points**. Score 0 if neither of these were taught.

5. **Highlight - Special Event or Share Your Faith Activity** - (50 yearly point possible)
Clubs only need one per month for **5 points**. For the year you need 5-6 Special Events and 5-6 Share Your Faith Activities. Some clubs will do both each month but points are only given for one. This event must be available to all Pathfinders and Staff.

Share Your Faith Activities

The entire club is to be involved. Activities may include, but are not limited to, Ingathering, cleaning snow off sidewalks, can collecting, delivering food baskets, singing for various groups, distributing literature;

any non-fund-raising activity such as a trash-a-thon; park beautification project, or other similar conservation activity, giving Bible studies, assisting with Vacation Bible School, helping with Evangelistic Meetings, conducting school, church or home work-bee; planting flowers, trees or shrubs. **Any activity you do for someone else's benefit.**

Special Event

These include, but are not limited to, campouts, hikes, backpack trips, bike trips; trips to the zoo, OMSI, Forestry Center, museums, or other points of interest; game nights, club parties and other social events; and unit activities (but no more than one month of unit activities during any given quarter may count for these points.)

6. **Staff Meetings** - (30 points possible)
Score **3 points** if at least one staff meeting was held during the current month. These are held at times other than during club meetings.

7. **Club News Flash** - (20 points possible)
Score **2 points** by writing a paragraph or two about your club's activities, goals, and highlights, and include it with your report form each month.

NOTE:

Clubs' lowest 2 months' Monthly Report- Club Activity scores will be dropped for the yearly award at the Fair. Only the top 10 months' scores will be counted for a total of 350 points possible.
